Health Requirements

The State of Illinois requires that Grace Lutheran Preschool keep a health record of each child. After acceptance of your child, forms are to be completed by your family doctor which must include all immunizations and a TB test.

Thank you for your interest in Grace Lutheran Preschool. We invite you to visit either with or without your child.

Please call for an appointment.
WE WELCOME YOU!

Grace Lutheran Preschool admits children of any race, color, national and ethnic origin.

Our Mission Statement

It is our purpose to provide a preschool setting where learning may take place in a Christian environment. This environment encourages imagination, exploration, creativity, and awareness of God's world. We provide the children with tools and opportunities to develop their capabilities to the fullest at their own pace in a non-pressured, relaxed atmosphere. Since play is the child's natural way of learning, much of this is accomplished through play with a purpose.

Grace Lutheran Preschool provides self-directed play, interest centers, and creative activities for the preschooler. Through a warm and loving environment, we build a sense of security and positive self-esteem in each child. It is our hope that your child will be enriched by his/her experiences at Grace Lutheran Preschool.

Grace Lutheran Preschool is licensed by the State of Illinois and is fully insured. The school operates under the direction of Grace Lutheran Church of LaGrange.

Children are the promise of our future

Curriculum

The curriculum is designed to stimulate developmental learning and joyful, creative play. Our program includes interest centers which follow a central theme. A strong emphasis is placed on social interaction, problem solving, self-control, creativity, self-expression, and coordination. The preschoolers learn about themselves and their world by experiencing all of the different areas of the classroom.

Staff

The teaching staff is committed to providing a quality program for young children. The staff is qualified, certified, enthusiastic, and dedicated to the well-being of each child.
